SUNNYVIEW - The Fayette County District Attorney’s Office has dropped the prosecution of a Sunnyview man who had been charged with vehicular manslaughter stemming from a crash that killed a bicyclist in August.

Scott Zion, 35, had been charged with vehicular manslaughter and reckless driving in connection with an accident that happened near the Sunnyview Grocery Depot.

The 19-year-old bicyclist, Madeline Deparde, suffered fatal injuries in the crash. Coincidentally, Deparde had also lived with Zion as an au-pair for over 6 months.

According to court documents, prosecutors dismissed their case against Zion during a scheduled trial readiness hearing date at Fayette County Superior Court in Sunnyview.

In an email Friday, deputy district attorney Evan Weinburg said the case was dismissed after prosecutors brought in an expert from the Florida Highway Patrol’s Multidisciplinary Accident Investigation Team to further investigate the case.

“Based upon the results and conclusions of this additional investigation, we did not feel we were able to meet our burden,” Weinburg said. “At this time, we don’t anticipate re-filing charges.”

Zion pled not guilty to the charges before they were ultimately dropped.

According to the Sunnyview Police Department’s initial account of the crash, Zion was driving his 2005 Chrysler Town & Country at 8:13 a.m. on Montpellier Blvd as Deparde was bicycling on Montpellier in the opposite direction. Zion made a right turn onto Monet Rd as Deparde was in the crosswalk and struck her.

According to the SPD, the Chrysler knocked Deparde off her bicycle and sent her about 10 feet through the air where she struck her head on the pavement. She was pronounced dead at the scene of the accident.

FULL RECORDED INTERVIEW - SCOTT ZION
CASE NUMBER: 001-08172006
Date and Time: 8/17/06 11:15am
Location: Sunnyview PD Interview Room
Conducted by: Detective Gerald Marquart
Transcribed by: Margaret Simmons

001 DETECTIVE: Please state your name for the record.
002 ZION: Scott Zion.
003 DETECTIVE: Scott, what is your relationship to the deceased, Madeline Deparde?
004 ZION: She worked for me and my wife. As an au-pair.
005 DETECTIVE: What exactly did Madeline do for you and your wife?
006 ZION: Well, she just did typical au pair stuff. She handled a lot of the housework, meals, grocery shopping and helped with the kids.
008 DETECTIVE: Can you tell me what happened this morning?
009 ZION: What do you want to know? I hit her with the minivan. She went flying. I think she hit her head and by the time I got out of the car to her, she wasn’t moving, wasn’t breathing. She was dead.
011 DETECTIVE: Do you know where Madeline was going?
012 ZION: Yes, we talked briefly in the morning. She wasn’t feeling well and wanted to pick up a couple things from the grocery store. Something about having an upset stomach and heartburn again.
014 DETECTIVE: Why didn’t you just take her in the van? She takes care of your kids and she’s sick. And you didn’t offer to drive her to the store? She had to ride a bike to get there?
016 ZION: Well, she liked riding. I don’t get it. She’s European though, that’s what they do.
017 DETECTIVE: Where were you going in such a hurry?
018 ZION: I was going to work.
019 DETECTIVE: What line of work are you in?
020 ZION: I am a banker at First State Community Bank.
021 DETECTIVE: First State Community huh? They’re not open on Sunday.
022 ZION: That’s right, but I had to meet a customer to give them some paperwork for a mortgage.
023 DETECTIVE: You normally wear a shirt and tie to give someone paperwork on a Sunday?
024 ZION: Well I don’t usually work on Sundays either but my appointment was with Mayor Lunette. He’s a big account so I have to look professional, even today. You talked to his wife, right? Dawn confirmed our appointment so what’s the issue?
027 DETECTIVE: Just trying to understand why you wouldn’t offer to do the shopping for Madeline.
028 ZION: To be honest, Detective, I was kind of getting tired of it. She seemed to be sick a lot lately, especially when I’m trying to get ready for work in the mornings and I need to use the bathroom. I just, I don’t know.
031 DETECTIVE: Tell me more about exactly what happened.
032 ZION: Again? Ok. I was on Montipellier and had to turn right on Monet Dr. Halfway through my turn I looked and there she was. She came out of nowhere! She must’ve been going really fast. I can’t believe it.
034 DETECTIVE: What do you mean you suddenly looked up? Where you looking down? What distracted you?
035 ZION: No. Not really. The sun was in my eyes so I was reaching for my sunglasses. Looked down for a second and she was right there. I didn’t even have time to hit the brakes or swerve. It was just a terrible accident. My family is going to be devastated.
038 DETECTIVE: Were you two close?
039 ZION: I suppose.
040 DETECTIVE: Your wife’s a nurse, right? She works a lot of nights? Did you and Madeline spend a lot of time together when your wife was at work?
042 ZION: What? No. I mean, my wife does work nights. But Madeline and I, what are you trying to say anyway?
043 DETECTIVE: Just trying to understand the situation is all. One more thing, Scott. Did you drive anywhere else before this?
045 ZION: No. I was coming straight from home. I had just pulled out of the driveway a minute earlier.
048 DETECTIVE: Thanks for your time, Scott. I’ll be in touch.
